

time to respond to Document Nos. 57 and 60, but made no mention of needing the copies of those documents. (Document No. 65).

On August 21, 2024, the undersigned granted Plaintiffs' "Motion For Extension Of Time..." (Document No. 65) with modification. (Document No. 66). Plaintiffs were directed to "file a response to the pending motions to dismiss (Document Nos. 57 and 60) on or before **September 10, 2024.**" Id. Plaintiffs received the Court's Order (Document No. 66) on August 28, 2024. (Document Nos. 67 and 68).

Now pending before the Court is Plaintiffs' "Motion for Documents and Motion to Extend Deadline" (Document No. 69) filed on September 12, 2024, two (2) days *after* Plaintiffs' current deadline to respond to the pending motions to dismiss. For the first time, Plaintiffs suggest they do not have "access to documents 57 and 60, which are essential for preparing an appropriate response to the pending Motion to Dismiss." (Document No. 69, p. 1). Plaintiffs now seek an extension to October 10, 2024. Id.

The undersigned is not persuaded that Plaintiffs did not receive copies of the pending motions and/or were unable to request the necessary documents in time to meet the current deadline. Although Plaintiffs brought this action almost one (1) year ago in this Court, it appears that they are attempting to keep this action from moving forward. Plaintiffs have repeatedly failed to abide by this Court's Orders and deadlines. As such, Plaintiffs are respectfully advised that if their dilatory conduct continues, the Court may dismiss this case. See Fed.R.Civ.P. 41(b)

Despite the foregoing observations, the undersigned will allow Plaintiffs one (1) more extension of time.

**IT IS, THEREFORE, ORDERED** that *pro se* Plaintiffs' "Motion for Documents and Motion to Extend Deadline" (Document No. 69) is **GRANTED with modification.** Plaintiffs

shall file a response to the pending motions to dismiss (Document Nos. 57 and 60) on or before **September 27, 2024**. Failure to file timely and persuasive responses will likely lead to the dismissal of this lawsuit.

**IT IS FURTHER ORDERED** that the Clerk of Court shall provide Plaintiffs with copies of Document Nos. 57, 58, 60, 61, 63, and 66.

The Clerk of Court is directed to send a copy of this Order and the documents identified above to *pro se* Plaintiffs by certified U.S. Mail, return receipt requested.

**SO ORDERED.**
